

Rob's Kids Christmas Project is Underway!

(read our story) www.robskids.org – stephanie@robskids.org

Our goal is a bagged gift of \$50.00 to each child in the Psychiatric Division of Cincinnati Children's Hospital. 2017 we did 180 bags @ \$50 each, for the Division of Psychiatry!

Sam lost her Dad to suicide and then attempted to take her life. After she got the help she needed at Cincinnati Children's, she started Rob's Kids and the RK Christmas Project!

This is one of Sam's dreams.....

"Grandma, I can't imagine being in the hospital, all locked up, depressed and without my family on Christmas Day!

Let's take them gifts! We want them to know we love them!"
